Find Your New Doctor

When searching for a provider using the MultiPlan website, there are a few ways to ensure you get the best possible result.

Location

- You can search for your new doctor using **Zip Code** OR **City & State** OR **State & County**.
- A Location selection is **required** for every search.
- You can select how close you'd like the provider to be to your chosen location using the "**Within _____ miles of**" dropdown menu.
- A search by **Zip Code** will be the most effective.

Type of Doctor

- When searching for the specific type of doctor, the most effective field to utilize is the "**All Specialties**" dropdown menu.
- Using any of the other dropdown menus will only provide you with limited options

Location:

Within miles of ZIP code:

or

City: State: County:

Type of Doctor:

Specialty: Behavioral Health:

Primary Care:

Surgery:

Name:

Doctor's Name: First: Last:

Hospital Affiliation:

Doctor's Name

If you are searching for a specific doctor by **Name**, but are unsure of the doctor's complete name, only one letter is needed in one of these fields. However, the more information you can provide will yield the best results.

Doctor Preferences

You can specify:

- what **Language** you'd like them to speak
- what their **Gender** is
- what their **Hospital Affiliation** is
